

30's Playtime: Iris's Garden

Linzee Kull McCray @seamswrite

If flowers were sprinkled on fabric, they'd feel like 30s Playtime: Iris's Garden. With these vintage-inspired florals, plaids, and novelty prints you can stitch quilts, bags, home décor, and clothing that feels both fresh and cozy. Named for Linzee's granddaughter Iris, who loves to plant blossoms and bulbs, 30s Playtime: Iris's Garden is reminiscent of a bouquet cut from backyard flower beds on a summer's morning.
