A Vintage Christmas II

Kansas Troubles Quilters

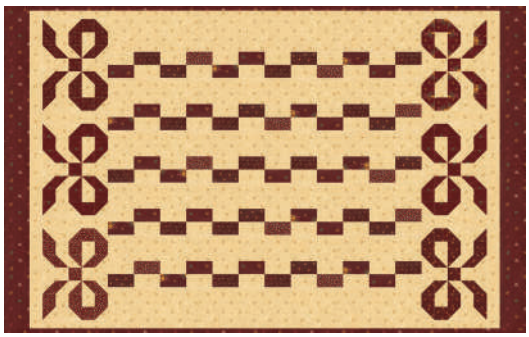

A Vintage Christmas II was inspired by a box of vintage Christmas wrapping paper found in Dad's barn, a rusty jingle bell wreath, homemade stick tree ornaments, and holiday greetings. The sights, sounds and smells of the holidays bring back fond memories of Christmases past. I've gathered a few of my favorite things to create a fabric collection with timeless appeal in my signature KT color palette.

Wrap yourself in nostalgia with my A Vintage Christmas Sampler II with jingle bells, stars, packages, trees, holiday cards, and sentiments of the season. The Jingled lap quilt combines ribbons and bells for a delightful home accent your family will love. Holiday Mail captures the joy of opening your mailbox stuffed with Christmas cheer from friends and family, far and near.

I hope your list to Santa includes A Vintage Christmas II and all the things you love about the holidays.
