Sitara

© by CRYSTAL MANNING

Inspired by botanicals and indienne textiles, **Sitara** captures a free-spirited **bohemian energy** in vivid color. Filled with flowing indienne florals, leafy vines, and paisleys, this collection offers a richly coordinated palette of teal, rose, marigold, and soft ivory. The blend of bold statement prints and petite supporting designs makes **Sitara** perfect for quilts that express movement, personality, and creativity.
