My Secret Garden

Stacy Iest Hsu

My Secret Garden was inspired not only by the beloved book The Secret Garden by Frances Hodgson Burnett, but also by my own family's history of flower gardening and our shared love of flowers. This collection is a celebration of flower gardens and all who inhabit them, featuring prints of vintage roses, flower seed packets, bunnies, butterflies, and other charming furry friends.

Kit 20980

With its sweet pinks, blues, yellows, and greens, the artwork across the three panels truly comes alive. There are three delightful panels to choose from: a vintage seed packet panel, an 8-square "garden furry friends" panel, and—perhaps the cutest of all—a cut-and-sew garden house panel featuring a sweet bunny family.

Bring the beauty of the garden into your home with My Secret Garden!
