Autumn Rising

There is a quiet magic that arrives with autumn. The starry night skies turn crisp and chilly, gently nudging our thoughts toward hearty soups, pumpkin patches, and the scent of spiced cinnamon cider. As the sun sets earlier, candlelit evenings are spent tucked away together under the warmth of favorite family quilts. It is the season of fallen leaves, flannel coats, and tall boots. I am so pleased to present Autumn Rising—a collection woven with nostalgic warmth and brought to life in an enchanting, romantic palette of rich plum, harvest pumpkin, fragrant cardamom, and cozy chestnut. Together with a selection of some of my prettiest quilt patterns to date, this collection is an invitation to wrap yourself in the magic of the season.
