# Autumn Sundries

## BY CATHE HOLDEN

Fall- It's my favorite time of year when there's transformation in the air, apples on the ground and soup is back on the menu. When the low sun shines bright on the vibrant falling leaves, shirts turn to flannel and sweater-weather rolls in. With my new collection, Autumn Sundries, I gathered the saturated, magnificent colors of fall: roasted squash orange, rich saffron gold, turquoise lake blue, vibrant asparagus green, hickory brown, russet red, and buttermilk yellow. So slow down, don your cozies, pour a warm drink, light that fragrant candle and delight in your stitching to celebrate this beautiful season of change.
