

Birch & Willow

by Sherri & Chelsi

Our Birch & Willow collection is the perfection of autumn meets pumpkin spice, and this group is one Chelsi has been dreaming of for quite some time.

This blissful collection delights the senses with a palette of a variety of oranges in different shades and saturations, golds, greys, and smoky blacks mixed with nine beautiful and versatile low-volume options. Prints include stripes, dots, gingham, leaves, flowers, and pumpkins, in small and medium sizes.

These glorious basics, florals—and pumpkins—combine beautifully to provide the perfect palette for fall quilts, pillows, home décor, and more. We know you'll savor the season as you sew with Birch & Willow!
