

BUG COLLECTOR

Sweetwater

My love for quilts arrived early. As a young girl, I was gifted a quilt with a butterfly in each block. I LOVED that quilt and it was very well used- it was pretty much threads by the time I turned ten. I remember spending hours staring at the butterflies, each in a different print, trying to choose which was my favorite for the day. That memory inspired “**Bug Collector**”. While we adore the bug print, the collection is full of bright, happy prints that can be used in any quilt.

OCTOBER DELIVERY *moda*

SW P342 Crosswalk 56" x 56" JR Friendly

Butterfly Version

Bug Version

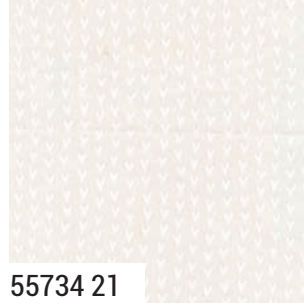

SW P341 Love Bug 69" x 69" LC Friendly

Bug version is also available as a digital top for shop sample
