Catching Blossoms

by Keri Anguiano Catching Stitches

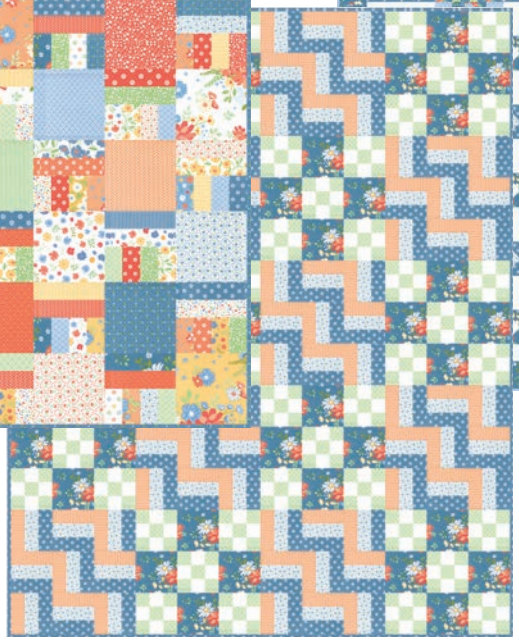

Catching Blossoms is a celebration of flowers at their very best—when every bloom is open and the flowers are at their most beautiful. Full blooms have a way of catching your eye, filling ordinary places with color, and making you stop to admire them. Inspired by that feeling, this collection is filled with cheerful florals, playful coordinates, and a palette of warm corals, golden yellows, fresh greens, and soft blues. I hope Catching Blossoms brings the joy of full blooms into every quilty home.
