☀️ Catching Sunshine ☀️☀️

by Keri Anguiano *Catching Stitches*

Catching Sunshine is a celebration of light, warmth, and the simple joy that comes from turning your face toward the sun. Inspired by sun-filled summer days, this collection brings to mind golden light through the kitchen window, blue skies stretching wide overhead, fresh air drifting through open doors, and the comfort of home.

Designed to bring a little brightness to every stitch, **Catching Sunshine is meant for quilts that are used, shared, and loved** for years to come.

It's the feeling of children laughing in the yard, porch swings swaying in the afternoon breeze, and lemonade stands on warm neighborhood corners. Those small, ordinary moments that become the ones we remember most.
