December Darling

by Heather Briggs of My Sew Quilty Life

Pink, bows, and cheer... my December is here.

There is something so special about Christmas—the crisp chill, warm mugs of cocoa, gathering around the table, decorating the tree with treasured ornaments, wrapping thoughtful gifts, and creating traditions that last for years. Those heartfelt moments inspired December Darling, my first Christmas collection, celebrating everything sweet, joyful, and oh-so-darling about the season.

Soft blush pinks, festive reds, gentle greens, warm browns, and creamy neutrals create a fresh, vintage-inspired holiday palette. Florals, bows, ornaments, candy canes, tiny trees, ginghams, and delicate prints bring timeless Christmas charm to quilts, gifts, and handmade treasures. I hope it fills your sewing room with warmth, joy, and a little extra Christmas magic.
