

Fable & Fern

WATERCOLOUR HEART

ILLUSTRATION & DESIGN STUDIO

Fable & Fern reimagines the **classic woodland theme** through a nostalgic, storybook lens, where each print whispers tales of the forest floor and the quiet magic of animals nestled in between the trees.

Delicate toiles of **deer, foxes, rabbits, and badgers** are woven between **wild strawberries, scattered acorns, and tangled brambles**, brought to life in a palette of **sage, smoke blue, earthy brown**, and a gentle whisper

of **blush**. **Gingham checks** and versatile blenders, from **delicate fern sprigs** to **pine-leaf-inspired motifs**, add softness and structure, offering a calm contrast to the narrative prints. Thoughtfully illustrated and timelessly designed, **Fable & Fern** invites you to sew heirlooms for little ones where every thread inspires wonder and whimsical storytelling.
