

FRUITFUL

BY KILEY'S QUILT ROOM

Bursting with juicy color and sun-soaked charm, this fresh new collection captures the feeling of the sweetest days of summer. Vibrant strawberries, sliced citrus, and cheerful fruit-inspired prints mingle with lush greens, rich teals, and punchy pink-reds to create a palette that feels both playful and refreshing. Inspired by backyard gardens, farmers markets, and long afternoons in the sunshine, these fabrics are perfect for quilts, bags, home décor, and projects that deserve a little extra brightness. Every print is designed to mix effortlessly, bringing a bold, happy energy to your sewing room all season long.
