Put the kettle on - it's time for a garden party. **This collection is a love letter to all things floral and fresh**, inspired by the kind of outdoor soirée that calls for tea, linens, and a swipe of lipstick. Inspired by Monet's words, "**I must have flowers, always,**" these prints mix vintage charm with a modern vibe. **Full of dreamy florals, sweet raindrops, and colors** that feel like poetry - this one's made to be gathered and stitched into something beautiful.
