Gothic Haunt

Stacy Iest Hsu

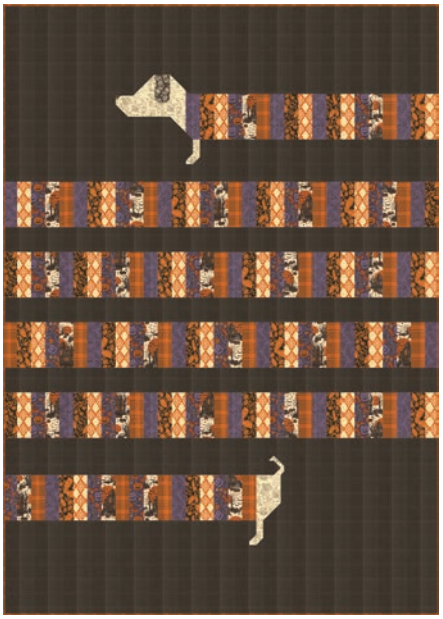

Spooks and spells, potions and incantations—welcome to Gothic Haunt. This collection's dark, moody palette of black,orange, cream, and purple, paired with hauntingly gothic imagery, conjures a world of shadowy wonder. From a gallery wall of spooky frames to a wickedly haunting floral bouquet, Gothic Haunt has a print for every project.

The collection includes three panels, including a nine-square panel of gothic-themed imagery perfect for a quilt, pillow, or tote. We're also bringing back two fan favorites: skelly dolls and the charming witchy doll panel—ideal additions to your gothic décor.

Six quilt patterns celebrate the collection in unique ways. From bats, ghostly cats, and skeletons to a crowd-pleaser—the dachshund "All Wrapped Up" quilt resized for a twin bed and spookefied for Halloween—there's something for everyone. Let Gothic Haunt inspire the perfect spooky creation for your next Halloween.
