

HOP INTO SPRING

ELENA AMO

Close your eyes and hop straight into spring. Breathe in the fresh air, feel the sunshine warming your cheeks, and catch the scent of new grass and blooming flowers dancing in the breeze. Hop Into Spring is a sunlit, cheerful collection filled with the brightest spring vibes — fresh blues and aquas, jade greens, blossom pinks, and sunny yellows.

Every print is designed to spark joy: colorful Easter eggs, tiny strawberries in the garden, bright confetti blocks, tiny carrots, tulip fields, and playful spring motifs that bring the season to life. And of course, it wouldn't be my collection without adorable characters — you'll find sweet bunnies and cute little chicks throughout the collection.

Fresh, fun, and full of sunshine — this collection simply feels like stepping into the happiest days of spring.
