

IMPRINT

SEWN BY AMY SCHELLE

Imprint is a fabric collection meant to feel like memory pressed into cloth. The collection was designed as a love letter to the places we travel and the impression they leave on us. Each print is composed of motifs that have been hand carved and block printed to add depth and texture. Created in two timeless color ways - charcoal and olive - making them easy to mix and match for any project.

SH 110 *Perfect Placement Quilt 70" x 70"*

Four of the prints are also available in canvas, adding extra versatility for home décor, bags, and other projects that call for a bit more structure and durability while maintaining the handcrafted aesthetic of the collection.
