brenda riddle designs
home of *Acorn Quilt & Gift Company*

Meadowbrook is a collection that is inspired by several favorites of mine. One of those favorites are the floral prints that bring back memories of one of my favorite trips - this one to Norway. I fell in love with the many of the traditional prints that I found there. They remind me of the lovely hospitality & warmth of the people I met there. So the florals in Meadowbrook are a salute to all the beauty I experienced there.

The other favorite that I was inspired by is a favorite quilt of mine. (... You know the kind - it's the one you want to have on your bed all the time - but now have to rotate it with other quilts because it is showing signs of being 'loved'... & you want it to last!) The colors in Meadowbrook are ones that are in that very 'loved' quilt. From linen whites, warm pinks, soft reds, gentle blues & greens, & grounding cobblestone hues, the colors that come together in Meadowbrook can be used all together for a wonderful scrappy mix, or paired together, creating a palette for your imagination... & my hope is that you will be inspired and find it becomes one of your favorites too!
