Midnight FLEUR

BY Jessica Rose

Midnight Fleur is a romantic, modern floral collection inspired by the quiet beauty of evening walks through Paris, when blooms soften in the fading light, colors reflect the dusky sky, and familiar places feel newly serene.

Designed in a timeless palette of deep navy, soft blush, warm ivory, and gentle greens, **the collection blends classic florals with clean geometry and subtle texture.** The prints are approachable and versatile, **created to mix effortlessly with Moda Bella Solids** and support a wide range of quilt styles, from traditional block quilts to modern layouts.

Midnight Fleur was designed for everyday quilting, calm and elegant, offering prints that feel comforting, warm, and beautiful for years to come.
