"...to see the summer sky is poetry" –Emily Dickinson

Celebrate the unique joys of summer with this beautiful **palette of red, pink, taupe, blue, and navy** in a delightful array of prints and patterns perfect for your summer or anytime sewing.

Designing a collection to **celebrate the red, white, and blue** has been on our list for quite some time, and we love this perfect combination of flowers in a variety of sizes, circle dots, houndstooth, stars, and stripes. Sew your favorite patriotic projects (or choose from our new ones) to create stunning quilts and home décor items.

Happy Midsummer! - Sherri & Chelsi XOXOXO
