Popcorn

by Elizabeth Hartman

Popcorn is a lighthearted collection of **quilting basics**, featuring **simple prints and sunny pops of color**. These 25 fabrics are made for patchwork fun!

Because I love combining textures and substrates, I've **also put together a group of yarn-dyed Popcorn Wovens**. These 12 gingham and checks look great on their own, or combined with Popcorn prints.

Popcorn Prints, Popcorn Wovens, and Popcorn Bella Solid Coordinates can be mixed and matched in endless combinations-perfect for your next pictorial quilt project!
