POSY

STACEY LEE *creative*

New Designer!

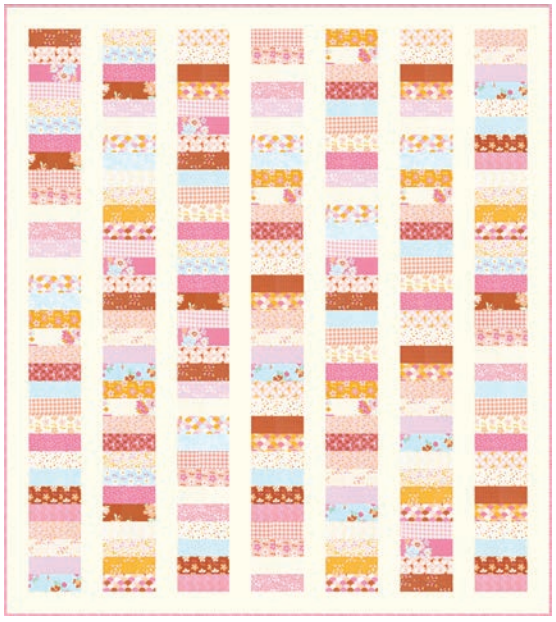

Posy was inspired by my love of vintage design and all the little endearing details that make it so timeless. Filled with cheerful florals, hearts, checks, petals, and sweet coordinating prints, I wanted the collection to feel joyful, pretty, and nostalgic while still fresh, playful, and modern. My husband, Niels, is Dutch, so the tulips woven throughout the collection have a special meaning for me.

The palette brings together my favorite colors, giving Posy versatility that feels just as at home in a cozy fall quilt as it does in a fun summer project. A mix of feature prints and useful blenders makes it easy to sew with and easy to love.

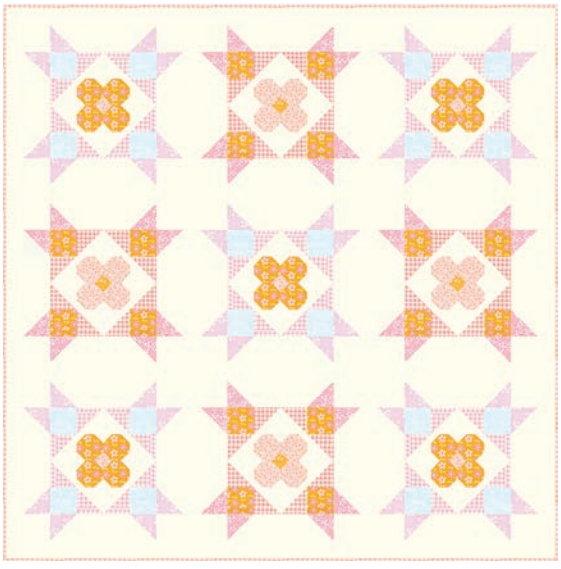

I hope Posy becomes part of your everyday handmade moments and brings you as much joy as it has brought me.

Hi, I'm Stacey, the designer and maker behind Stacey Lee Creative. Five years ago, I started a YouTube channel to share the creative things I loved making. It didn't take long for quilting to become the heart of Stacey Lee Creative. I had no idea where it would lead, and I certainly never imagined I would one day be introducing my debut fabric collection with Moda Fabrics. This really is a pinch-me moment.

I'm originally from New Zealand and now live in Florida with my husband, Niels, our three children, and our dog, Rocky, who you'll sometimes spot in my videos. Niels takes care of the technical side of Stacey Lee Creative, from filming and editing to everything else that keeps the business running.

I create step by step sewing and quilting tutorials and beginner friendly patterns because I love helping my audience discover the joy of quilting. One of the most rewarding parts of what I do is seeing someone finish a project they're proud of. After all, a finished quilt is a perfect quilt.

In addition, I organize an annual quilt donation drive for children entering foster care, which has become one of the most meaningful parts of what I do. Watching our quilting community come together to provide comfort through something handmade reminds me just how generous and caring quilters truly are.

I'm so excited to introduce Posy, and I can't wait to see what you make with it.
