

QUILTED HOME

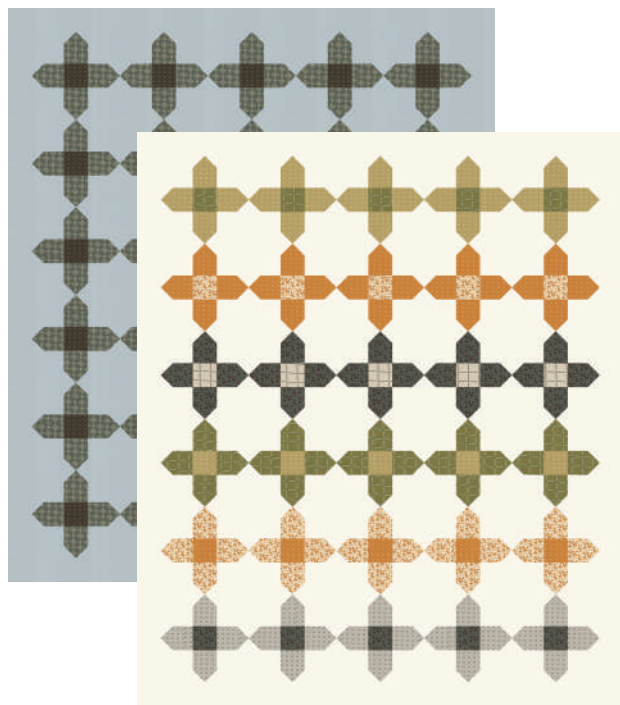

BY AMY SCHELLE

Your favorite quilt blocks just got a glow-up — scaled down, translated into fabric, and ready to play well with others. These prints bring the texture and personality of a classic block to any project without stealing the show.

Two colorways to love: warm and earthy with creams, sand, caramel, and sage, or cool and crisp with slate blue, charcoal, tan, and ivory. Both are neutral enough to befriend any fabric in your stash — and bold enough to be the reason the whole quilt comes together. They'll work with whatever you're making!

Available on quilters cotton, plus a canvas selection for bags, home décor, and all those interior projects your customers keep dreaming about.
