

LoFi:Loom
a woven collection
RASHIDA COLEMAN ♥ HALE

LoFi Loom is the woven companion to LoFi, and Rashida's first foray into wovens! Checks, stripes, and plaids get a fresh and modern treatment, with that LoFi neon-meets-neutral energy filtered throughout. And then there is Lapin, everyone's favorite Bun E. woven right into the cloth. Need we say more? The palette moves from creamy naturals and toasty terracottas to electric chartreuse and vivid pinks, feeling a little warmer and more lived-in than its sibling collection, LoFi in the best possible way.
