SNOWY ST. NICK

Deb Strain

I love the woods in winter... peaceful, pristine and white. In my imaginings, Santa loves the forest in winter as well! Maybe a midnight stop to visit his woodland friends at the end of his long journey?

"Snowy St. Nick" illustrates that cozy scene, complete with St. Nick, deer, a raccoon, rabbit and fox. Not to mention the winter birds that attend the gathering! Filled with pinecones, berries, snowflakes and greenery, this collection is sure to please the Santa (and woodland) lover in all of us!
