

ME and MY *sister* DESIGNS

The idea for Tid Bits has been rolling around in my head for a while. I've collected antique fabrics, especially feed sacks, for many years and have several hundred of them.

They've inspired many of my previous fabric groups but I've always dreamed of an entire collection using JUST them. Something scrappy, fun and random. Something like I walked into a quilt shop and just started pulling bolts off the wall!

Tid Bits has that scrappy look. It's a collection of non-collection! To make things even more interesting, I've invited 12 of my favorite Bella Solids to play along. See the next page to see Moda's curated Rainbow Bella Solids collection.

If you've always wanted a scrappy quilt but have struggled to choose fabrics, choose Tid Bits! Embrace the random and enjoy.

P.S. they're a great stash builder, too!
