Twinkle & TINSEL

Fancy That DESIGN HOUSE & Co BY STEPHANIE SLIWINSKI

Each year, we pull Christmas bins from storage, and treasured decorations make their return—the well-loved Santa, little deer, sparkling tinsel, and familiar ornaments that carry memories and make the season feel wonderfully nostalgic.

Twinkle & Tinsel was inspired by decorating the tree with loved ones, gathering with family, and vintage holiday treasures that become part of our celebrations year after year. Santa, reindeer, twinkling lights, cheerful florals, and playful holiday coordinates come together in a classic palette of red, green, creamy white, light blue, and green.

I hope Twinkle & Tinsel inspires quilts, pillows, stockings, and handmade treasures that become cherished traditions for years to come.
