I'm so excited to be able to create and offer another collection rooted in faith - Wellspring - a source of continual supply.

This collection flows with timeless words of praise and trust. There are two panel options, one being larger hymn prints (perfect for pillows & the like) and the other being smaller print options and both are reminders of our source of hope that never runs dry.

FTD 253 Wellspring Quilt 58" x 75" JR Friendly

The Wellspring color palette is both deep and grounded with some rich tones mixed in. Whether pieced into a quilt, crafted into projects, or shared as gifts, Wellspring embodies faith, song, and encouragement and I cannot wait to see you create with this group!
